

SECTION IV: STUDENTS

POLICY 4060

BUS TRANSPORTATION SAFETY RULES

The Superintendent shall have the authority to promulgate and revise, from time to time, procedures and regulations governing the transportation of students and conduct on buses. Students who ride a bus are provided student handbook information each year that includes detailed guidelines for appropriate conduct on the bus. Parents and students are expected to familiarize themselves with the bus rider guidelines. The District may require a parent or guardian's signed permit in order for children to be transported daily to and from school.
